

FEDERATION COLOMBOPHILE INTERNATIONALE

December 14, 2024

KONIC ETS
LeMartel Estate, 2 Station Road, Nigel 1491
South Africa

Dear Sir,

I am reaching out on behalf of FCI (Fédération Colombophile Internationale), which is, as you know, the International dedicated non-profit organization committed to the promotion, preservation, and education surrounding the art and sport of pigeon racing. We congregate 74 member federations and about 750.000 pigeon fanciers around the world.

We believe that companies like KONIC ETS share values that resonate with our mission of fostering unity, respect for tradition, and community spirit. Working together, we can expand our reach and impact, improving events, educational workshops, and public exhibitions that promote pigeon racing to new audiences and preserve it for future generations. This is an exciting opportunity to align with a respected organization in a way that showcases your commitment to the pigeon sport and its heritage and future. Therefore, this possible association represents “per se” an affirmation and recognition of the importance and value of your company for this sport.

How Your Company Can Make a Difference:

Sponsorship: Help us fund key initiatives like annual races, workshops for young fanciers, and outreach programs.

In-Kind Donations: Support our events through contributions of materials, prizes, or other resources essential to the successful promotion of pigeon racing.

Collaborative Events: Co-host public events that highlight both our organizations' contributions to the sport.

Social Media: Sharing articles, opinions and relevant pigeon information that will be published on our website.

In return for your support, FCI will recognize KONIC ETS as a valued partner on our website, social media, and all event materials, and your company can use the FCI partnership as a quality label and include it in your social media and advertising.

Additionally, our site and events also attract a diverse audience, providing you with an opportunity to reach potential new customers and strengthen your brand.

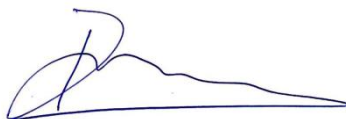

We would be delighted to discuss this opportunity to become a **Partner Company of FCI** with you in more detail and explore how we can create a mutually beneficial partnership.

Please feel free to contact me at +351 962 879 898 or fci-president@pigeonsfci.net.

Thank you for considering this opportunity to join us in promoting and preserving the magic of pigeon racing.

Together, we can make a lasting impact and keep this sport richer and more alive.

Best regards,

Dr. David Barros Madeira
FCI president
